Since its 'discovery', the history of the USA has been the history of ethnic cleansing, imposition of power, slavery, mass exploitation and the worship of wealth.

I just spoke with customer service again and they told me I have to mail it back to them and they will put me on the priority list and it should be back to me in 5 to 7 days.

Treasury Department estimates it will reach a$16.7 trillion borrowing limit on Oct.

The two sides were discussing a possible settlement of at least.

I had done all our packing so all that had to be done was disassembling and wrapping of furniture and loading everything onto the very large truck.

However, it leaves my skin dry and flaky... any suggestions?
